Dear Mr. Myers,

Armstrong 5309 B is said to be identical with Crafard 5204, which is not printed. See 13H379, etc. I'll ask for a copy of 5204 and see if these same pages are missing.

All your other points are interesting. I'd been aware of some, but all. I'll not now have time to check them out but I'll refer them to others who might be able to.

Where you ask questions, they are reasonable. That they exist is ample indication that there was no real investigation, merely a whitewash.

Hurriedly,
